THE
Livery

The latest addition to The Georges portfolio, the historic Sheridan Livery Building, dates back to 1887. Once a horse stable and stagecoach depot, The Livery's Indoor and Outdoor Event Venues have been reimagined into a chic space offering endless possibilities for your next gathering. The interior features an exposed wooden beam ceiling, large metal-framed picture windows, and contemporary pendant lighting. Its minimalist color scheme provides the ideal backdrop for your next soiree or event. The welcoming serpentine shape of the outdoor stone patio complements the indoor space perfectly, offering ample room for your group to expand and enjoy their surroundings.
